

Flexyfix - 15 Year Warranty for stair nosing installation

This warranty applies to the installation of all metal and PVC stair nosings and angle sections, with Flexyfix adhesive, when the installation is registered on the on-line Warranty form.

Warranty Registration can be prior to the installation or a maximum of 5 (Five) working days after the installation is completed.

Failure to follow the Flexyfix installation instructions completely will void any warranty.

This warranty applies to standard nosing installations over concrete, anhydrite, metal and wood substrates.

This warranty does not extend to, or cover, failures from poor substrate conditions or where preparation of the substrate is not correctly carried out.

The substrate must be level, sound, clean, dust free and free from any contaminants such as paint. Rewmar will not be responsible for failures unrelated to the integrity of the adhesive.

Rewmar reserves the right to physically inspect and determine the cause for each claim. All claims repaired and/or replaced prior to inspection will void the Warranty

In the event of an adhesive bond failure judged to be so, solely by a qualified independent testing agency of Rewmar's choosing, Rewmar will repair or replace at its discretion that section of floor judged to be defective due to adhesive failure, including standard labour costs.

Written notice of any such claim must be received in writing within the 15 (Fifteen) year warranty period, beginning on the installation date.

This warranty is limited to one repair or replacement and in all cases is the sole remedy and obligation offered.

All remedies shall extend to the replacement of flooring materials, labour and adhesive in affected areas only and as determined by Rewmar.

Rewmar will not under any circumstances, whether as a result of breach of contract, breach of warranty, tort or otherwise be liable for consequential, incidental, special other exemplary damages including, but not limited to, loss of profits or revenues, loss of use or damage to any substance combined therewith, cost of capital, cost of substitute products, facilities or services, or claims of Buyer's customers.

The suitability of this product for an intended use shall be solely the Users and/or Buyers responsibility
